Common Questions — Quick Answers

Customer asks...	Quick answer
"Is the strap BPA-free?"	Yes — all FKM rubber and nylon straps are BPA-free. Leather is BPA-free but not hypoallergenic.
"Is it hypoallergenic?"	Yes for titanium case and FKM/nylon straps. Leather straps: no.
"What lug width?"	20mm — fits all standard 20mm third-party straps.
"Can I swim with it?"	Expedition: yes (100m). Journey: splash-resistant only, not for swimming.
"Is the lume safe?"	Yes — Super-LumiNova, non-radioactive, ISO 3157 compliant.
"What is the warranty?"	2 years on movement. Does not cover physical damage or strap wear.
"Is the Ember still available?"	No — sold out. Direct to waitlist at boldr.co/waitlist .
"Expedition vs Journey — which to choose?"	Expedition: larger (40mm), more rugged, 100m WR, Grade 5 titanium. Journey: smaller (38mm), lighter, everyday wear, 50m WR, Grade 2 titanium.
